AUSTRALIAN INSTITUTE OF DIGITAL TECHNOLOGY

Australian Institute of Digital Technology (AIDT) has emerged as a registered training organisation (RTO) in Melbourne under the visionary leadership of renowned academic Mr Molla Huq. Ranging from diploma to graduate diploma levels in leadership and management (learning), AIDT vocational programs are developed in consultation with industry stakeholders to ensure delivery of essential skills, competencies and knowledge required at competitive workplace. AIDT offers an extensive student resources, highly qualified and experienced academic team to assure student satisfaction

AIDT is a dynamic and progressive professional training institute with the vision and focus on the future career ambitions of our valued learners. We are committed to discover and maximize your potential. We practice our values of integrity, transparency, creative innovation, professionalism and quality in every program we run.

MESSAGE FROM CEO

MOLLA HUQ
CEO, AIDT

At AIDT Australia, our students are our top priority and our strategy is to give our students the best value courses that can play a vital role in their lives. The technological vision of our institute is intended to create a set of guidelines intended to target new forms of social value creation, recognize the technology trends, depict the technologies and society of the future, and create outstanding technologies based on this vision.

Our fundamental objective is to provide you as one of our students with an environment that enables you to reach your full potential that you designed. Our trainers will not only train you during your time with us, but also will work with you to mentor you with their proven knowledge, ensuring you achieve the best results. We fully understand the challenges of students who may experience while studying away from their home country. Our dedicated professional staff will support you to overcome all the challenges that arrive as barriers. Welcome to our institute – where you can grow the life that you deserve.

MISSION

Our Mission is to create opportunities through lifelong learning, to provide students with professional, practical and positive learning experiences so that they can become competent, valuable professionals, and to maximise their career opportunities and academic pathways in Australia. We help to enrich students' life experience through community connections by gaining practical work experience in Australia.

VISION

Creating highly skilled job-ready workforce through our high quality accredited and non-accredited training and education programs.

WHY AIDT ?

WHY CHOOSE US ?

Quality

Our course contents are of high quality. Our trainers and assessors come from the relevant industry with numbers of years of hands-on experience who knows the best and are highly skilled. We train and assess our learners in a simulated work environment and guide them to various other resources for them to be equipped with everything they will need to succeed in their roles.

Diverse

We are dedicated to contribute to Australian society by providing quality vocational education to its learners and thereby creating a skilled and job-ready workforce who in turn will serve the nation utilizing their skills and practical knowledge in the industry. Based on our core values we will respect every individual learner and our clients fairly and equally; we will support them throughout maintaining professional integrity and ensure excellence in quality and services provided by us.

We will support them throughout maintaining professional integrity and ensure excellence in quality and services provided by us.

Competitive Fees & Flexibility

We provide high-quality training and education service yet our fees are very competitive in the ever-changing market. Our aim is to provide our learners the best value for their tuition fees. We are flexible in delivering our courses to learners of different needs. However, we do not compromise with quality. We offer various learning schedules to specific student cohorts and learners that can vary their study load in accordance with their personal needs.

Job-Ready Approach

We train our learners to be ready for the current and future ambitious roles. Each year thousands of learners graduate with various qualifications yet barely survive in their real-life roles. We ensure our trainers and assessors are current industry veterans and they share their real-life work experience with our aspiring learners. Even in the classroom we simulate real work environments and get various project done where our learners can gain valuable experience.

We ensure our trainers and assessors are current industry veterans and they share their real-life work experience with our aspiring learners.

Melbourne

THE CITY

Melbourne is Victoria's capital city and the 2nd largest city in Australia. According to "The Economist", Melbourne has been named the most liveable city in the world in the recent years for its cost of living, healthcare, infrastructure, and education.

MELBOURNE MUST-SEES

- Drink the world's best coffee
- Check out the amazing street art
- Wander through laneways
- Visit Flinders Street Station
- Stroll the botanic gardens
- Enjoy sport at the MCG
- Visit the Immigration Museum
- Admire Aboriginal art
- Visit Queen Victoria Market
- Go penguin-spotting at St Kilda

EVENTS

- Australian Open
- Melbourne International Comedy Festival
- Melbourne Cup Carnival
- Moomba Festival
- Cricket Boxing Day Test
- AFL Grand Final
- Melbourne Chinese New Year
- White Night Melbourne
- Remembrance Day

ESTIMATED LIVING COSTS PER WEEK

- Food: \$80-\$150
- Rent: \$95-\$285
- Mobile phone and internet : \$10-\$20
- Public transport: \$44
- Recreation: \$50-\$100

FUN THINGS TO DO IN MELBOURNE

Shopping

There are many shopping precincts within proximity, such as Emporium, QV or Melbourne Central. They include retail stores such as MYER, David Jones, Coach, Big W, and many more. Coles and Woolworth are also available for daily grocery shopping.

Cafes

There are several cafés and restaurants within the vicinity of the campus, where students can socialize, relax and meet with others.

Public Transport

Catch public transport from anywhere within Melbourne and arrive to our campus very easily. There are trains, trams and buses running frequently near the vicinity of our campus. If you wish, you can grab a taxi or uber to arrive or explore the Melbourne CBD.

Entertainment

You can have a taste of world class entertainment near our Melbourne CBD campus e.g., China Town is behind our campus along with several theatres within the vicinity. Ice-skating, movies, Federation square concerts, nightlife etc. are all nearby to enjoy Australian entertainment.

NATURAL WONDERS IN VICTORIA

Great Ocean Road

The Great Ocean Road is a natural wonder that one can't describe without travelling. You can have a day tour of the scenic Great Ocean Road up to the twelve apostles along the coast line via the towns of Anglesea, Lorne, Apollo Bay and Port Campbell.

Phillip Island

Phillip island is couple of hours drive from Melbourne and is home to penguins, seals and other exotic animals and birds. Penguin parade is a must see and a visit to the Nobbies centre would cool you eyes with the natural landscape. The Seal Rocks The Seal Rocks is home to large colony of fur seals.

Grampians

Grampians national park is a natural wonder with sandstone mountains, wildflowers, lakes, falls and exotic wildlife. Halls gap is home to Aboriginal history and rock art. MacKenzie falls and lookouts such as the Balconies will give you an experience that you may never forget.

Mount Buller

You can visit Mount Buller (or Mt Donna Buang, Falls Creek, Lake Mountain, Mt Baw Baw, Mt Stirling, Mt Hotham, etc.) which is home to abundant snow during winter. You can ski or take the lift for snow viewing.

OUR COURSES

INFORMATION TECHNOLOGY COURSES:

ICT20220 DIPLOMA OF INFORMATION TECHNOLOGY

ICT50220 DIPLOMA OF INFORMATION TECHNOLOGY (CYBER SECURITY)

ICT60220 ADVANCED DIPLOMA OF INFORMATION TECHNOLOGY

ICT60220 ADVANCED DIPLOMA OF INFORMATION TECHNOLOGY (CYBER SECURITY)

HOSPITALITY COURSES:

SIT30821 CERTIFICATE III IN COMMERCIAL COOKERY

SIT40521 CERTIFICATE IV IN KITCHEN MANAGEMENT

SIT50422 DIPLOMA OF HOSPITALITY MANAGEMENT

LEADERSHIP AND MANAGEMENT COURSES:

BSB50420 DIPLOMA OF LEADERSHIP & MANAGEMENT

BSB60420 ADVANCED DIPLOMA OF LEADERSHIP & MANAGEMENT

BSB80120 GRADUATE DIPLOMA OF MANAGEMENT (LEARNING)

OUR SHORT COURSES

NON-ACCREDITED

STATISTICS WITH SPSS

IBM SPSS Statistic is one of the most population Statistical software package in the world. Primarily used by social scientist but later adopted by other disciplines, especially medical and health scientists. This short course intends to cover some of the most popular usage of Statistics with real life data.

Participants will be able to apply SPSS, analyse and interpret Statistics using SPSS. The course will cover data entering, data labelling, data cleaning, variable computing, variable transforming, data file creating, and doing data analysis (mostly using menus) including summary statistics, hypothesis test, 95% CI, ANOVA, non-parametric method, RR, OR, correlation, linear regression, logistic regression, Cox's regression and sample size calculation.

BIostatISTICS FOR HEALTH RESEARCH

Biostatistics for health research is a short course introducing the application of biostatistics public health and medicine research. Biostatistics is well used in summarising, analysing, understanding, and interpreting health related data which is crucial for any health and medical research. Almost all health science articles, reports and books heavily rely on Biostatistics.

Every scientific question must undergo scientific judgement, and, in most cases, Biostatistics provides the tools to do that. Irrespective of whether you need to conduct randomized controlled trials or cohort studies or case control studies, it is essential to understand biostatistics to design, conduct, collect and interpret health-related data. The most common principles and methods used in Biostatistics are covered in this short course, including the necessary tools for analysing and interpreting data health related data.

AMAZON SELLER TRAINING (AST)

In Amazon Seller Training we will cover Amazon FBA. FBA means "Fulfilled by Amazon" where Amazon does the hard work of storing your product, showcase your product in their website, pick, pack and ship your product to customer once sold, collects the money from customer and sending money to your bank account. All you have to do is find a good product, purchase it and ship it to one of Amazon's warehouses.

TECHNOLOGY**
Your path to excellence!

Duration: 78 Weeks (Incl Holidays)
Course Fee Offshore: \$14,000 AUD
Course Fee Onshore: \$10,000 AUD
Resource Fee: \$500 AUD
Enrolment Fee: \$200 AUD

Course Description

This qualification reflects the role of individuals in a variety of information and communications technology (ICT) roles who have established specialised skills in a technical ICT function.

Individuals in these roles carry out moderately complex tasks in a specialist field, working independently, as part of a team or leading a deliverable with others. They may apply their skills across a wide range of industries, business functions and departments, or as a business owner (sole trader/contractor).

Mode of Delivery

The course is delivered face-to face in a classroom and incorporates a simulated workplace environment and access to fully equipped training facilities at our campus. All units are delivered as stand-alone delivery.

Course Structure

Code	Title	Core or Elective
BSBCRT512	Originate and develop concepts	Core
BSBXC5402	Promote workplace cyber security awareness and best practices	Core
BSBXTW401	Lead and facilitate a team	Core
ICTICT517	Match ICT needs with the strategic direction of the organisation	Core
ICTICT532	Apply IP, ethics and privacy policies in ICT environments	Core
ICTSAS527	Manage client problems	Core
ICTICT435	Create technical documentation	Elective
ICTICT518	Research and review hardware technology options for organisations	Elective
ICTICT522	Evaluate vendor products and equipment	Elective
ICTNWK529	Install and manage complex ICT networks	Elective
ICTNWK536	Plan, implement and test enterprise communication systems	Elective
ICTNWK537	Implement security for applications	Elective
ICTNWK540	Design, build and test network servers	Elective
ICTNWK543	Install, operate and troubleshoot medium enterprise switches	Elective
ICTNWK546	Manage network security	Elective
ICTNWK556	Identify and resolve network problems	Elective
ICTNWK559	Install an enterprise virtual computing environment	Elective
ICTSAS502	Establish and maintain client user liaison	Elective
ICTSAD509	Produce ICT feasibility reports	Elective
ICTNWK542	Install, operate and troubleshoot medium enterprise routers	Elective

Selection Criteria

Prior to enrolment in the Diploma of Leadership & Management applicants, must provide evidence showing:

- Over 18 years old.
- Minimum IELTS overall band of 5.5 (Academic Module) with no individual band below 5.0; or TOEFL iBT (internet-based) minimum score of 65 with no band less than 15; or Pearson (PTE) 42 (no communicative skills less than 36); or Any other equivalent assessment of English language proficiency.

- Results older than 2 years are not acceptable.
- OR

- Evidence that, within two years of their application date, they have successfully completed in Australia a foundation courses or a senior secondary certificate of education or a substantial part of a Certificate IV or higher level qualification, from the Australian Qualifications Framework.

OR

- For levels 1 and 2 Students only, successful completion of AIDT Language and Numeracy Test conducted on AIDT (for onshore international students ONLY.)
- International students applying for a Diploma level course will need to provide evidence of satisfactory completion of Australian Year 12 (or equivalent) or certificate IV or higher.

Please refer to our website, prospectus and student handbook for more information regarding this course.

CERTIFICATE III IN COMMERCIAL COOKERY

**AUSTRALIAN
INSTITUTE OF
DIGITAL
TECHNOLOGY**
Your path to excellence!

Duration: 78 Weeks (Incl Holidays)**Course Fee Offshore:** \$16,000 AUD**Course Fee Onshore:** \$13,000 AUD**Resource Fee:** \$1500 AUD**Enrolment Fee:** \$200 AUD

Course Description --- Mode of Delivery ---

This qualification reflects the role of cooks who use a wide range of well-developed cookery skills and sound knowledge of kitchen operations to prepare food and menu items. Using discretion and judgement, they work with some independence and under limited supervision using plans, policies and procedures to guide work activities. Completion of this qualification contributes to recognition as a trade cook.

This qualification provides a pathway to work as a cook in organisations such as restaurants, hotels, clubs, pubs, cafes, and coffee shops.

The skills in this qualification must be applied in accordance with Commonwealth and State or Territory legislation, Australian standards and industry codes of practice.

No occupational licensing, certification or specific legislative requirements apply to this qualification at the time of publication.

The course is delivered face-to face in a classroom and incorporates a simulated workplace environment and access to fully equipped training facilities at our campus. All units are delivered as stand-alone delivery.

Selection Criteria ---

Prior to enrolment in the Diploma of Leadership & Management applicants, must provide evidence showing:

DIPLOMA OF HOSPITALITY MANAGEMENT

**AUSTRALIAN
INSTITUTE OF
DIGITAL
TECHNOLOGY**
Your path to excellence!

Duration: 78 Weeks (Incl Holidays)

Duration: 26 Weeks (With Cert IV)

Course Fee Offshore: \$15,000 AUD

Course Fee Onshore: \$12,000 AUD

Course Fee Packaged: \$5,000 AUD

Resource Fee: \$1500 AUD

Enrolment Fee: \$200 AUD

Course Description

This qualification reflects the role of highly skilled senior operators who use a broad range of hospitality skills combined with managerial skills and sound knowledge of industry to coordinate hospitality operations. They operate independently, have responsibility for others and make a range of operational business decisions. This qualification provides a pathway to work in any hospitality industry sector as a departmental or small business manager. The diversity of employers includes restaurants, hotels, motels, catering operations, clubs, pubs, cafes, and coffee shops. This qualification allows for multiskilling and for specialisation in accommodation services, cookery, food and beverage and gaming.

Mode of Delivery

The course is delivered face-to-face in a classroom and incorporates a simulated workplace environment and access to fully equipped training facilities at our campus. All units are delivered as stand-alone delivery.

Course Structure

ENTRY REQUIREMENTS

Relevant Age

There are no barriers to entry based on age (other than post school students over 18), gender, social or educational background.

Academic Level

Foundation skills at a minimum of Australian Core Skills Framework (ACSF) level 3 listed.

English Equivalent

English IELTS 5.5 required.

RECOGNITION OF PRIOR LEARNING (RPL)

All students are eligible to apply for Recognition of Prior Learning (RPL). RPL is granted as a result of identifying and assessing previous and current informal education and training, work experience and/or life experience and knowledge. Previous learning and the evidence supplied is measured against pre-determined performance standards contained within the Units of Competency.

You should indicate your decision to apply for recognition as soon as possible. This can be done on enrolment or after the induction and orientation program.

COURSE CREDIT

AIDT will recognize a course credit when you can demonstrate certificated verification of previously achieved recognized units of competency. Course credits may reduce the length of your course. If this occurs before your visa is granted, AIDT will indicate the actual course duration in the confirmation of enrolment issued for to you for that course.

If the course credit is granted after your visa is granted, the change in course duration is reported via Provider Registration and International Student Management System (PRISMS) under section 19 of the Education Services for Overseas Students (ESOS) Act. Students are required to accept the Course Credit Outcome.

HEALTHCARE

Australia has a very good healthcare system. All Australians pay a Medicare levy (additional tax) to fund the public health system to ensure that everyone has access to public-system doctors, hospitals and other healthcare services.

WORK WHILE YOU STUDY

Australian Immigration laws allow students to work for a limited number of hours while studying on a student visa in Australia. Students can currently work 40 hours per fortnight during the College's study periods and work full-time during breaks.

For more information, please visit www.studyinaustralia.gov.au/english/live-in-australia/working.

TRANSPORT

Australia has an extensive public transport system that includes trains, buses, tramways, ferries, two major national airlines and several regional airlines. With regard to public transport, metropolitan cities, including Melbourne, are divided into zones and your ticket type and cost depends on which zone you are going to travel in and for how long. Visit Public Transport Victoria at <http://www.ptv.vic.gov.au> for more details.

DIVERSE CULTURE

Australian Institute of Digital Technology welcomes students from different parts of the world. Cultural diversity is our strength. Learning is not only about the skills, also about people, culture and their values. Getting people from similar background helps to mentally settle down in abroad. And people from different background helps to learn about diversity and gives a good feeling to know more about people and life in abroad. By the time you finish the course, you will make few good friends to cherish.

ACCOMODATION

There is no student accommodation available on-campus at AIDT. However, students may speak to one of our friendly AIDT staff to assist them to find suitable accommodation. When finding accommodation, it is important to consider an environment most comfortable for you, such as staying in the city or in a quiet suburb.

BANKING

Australian currency is the only legal tender in Australia. When students first arrive, money from other countries can be changed at the exchange facilities located at international airports, banks and major hotels. Travellers' cheques are easier to use if already in Australian dollars, however, banks will cash travellers' cheques in virtually any currency. Major hotels and some shops, depending on individual store policy, will also cash travellers' cheques. It is a good idea to set up an Australian bank account. You will need to provide visa details and evidence of residency

BRINGING FAMILY

Most student visas allow you to bring your family members to Australia as your dependent (check your individual circumstance on the Home Affairs website). Family members include your spouse, and you and your spouse's dependent children. Before bringing your spouse or children to Australia, you will have to prove that you can support them financially. The cost of supporting a family in Australia is high. You may have to consider and discuss many issues with your family.

LANGUAGE

English, as it is spoken in Australia, is easily understood by nearly all people from other English-speaking nations. While there are some minor differences in accent between the cities and country areas, the differences are much less than those found in America, Britain and Canada. As you improve your English, you will learn some of Australia's colorful and often humorous slang, and have much fun explaining the meanings to friends and relatives.

Enrolment Map

1.

Choose your
course/**courses**

2.

Complete the
**AIDT Application
Form** and provide
GTE Statement

3.

Provide certified copies of:

Your Passport

Your Visa

(if you have a current Australian visa)
