

## Agent Reference Check Form

Reference checking is an important part of the Australian Institute of Digital Technology recruitment and selection process as it enables you to seek responses from colleges regarding the agent's actual performance. When the right questions are asked it is interesting to hear the responses that referees provide.

The questions below can be asked for any position within the company. The form has been set up so that the responses of the referee can be typed directly into the screen.

### Reference Check

<b>Agent:</b>	
<b>College applied for:</b>	
<b>Referee's Details:</b>	
<b>Title:</b>
